Resetting a User’s Voicemail PIN from the Admin Portal

Log into the Admin portal

In the “Users” tab under the “All Lines” header. Locate the name of the person who’s voicemail you would like to reset (you can search for the name/number/label in the “Search for.” field):
Resetting a User’s Voicemail PIN from the Admin Portal

Click “Actions”:

The click “View Individual Settings” A second window will pop up:
In the second window click “View Account Settings” in the bottom right hand corner and click “Change Voicemail PIN” under the “Security” header.

Type in the number you would like to make the PIN in the “New PIN” field and again in the “Confirm new PIN” field. Once satisfied, click “Confirm.”

Your PIN has been updated successfully!
