Important Information Regarding Kansas Relay Center

Kansas Relay Center
Powered by Hamilton Relay

What is Kansas Relay?
Kansas Relay is a public service which guarantees all citizens access to prompt, professional and accurate communication through the telephone. Consumers of these specialized services, specifically individuals who are deaf, deaf-blind, hard of hearing or have difficulty speaking, can communicate on the telephone via TTY, Voice Carry Over (VCO), Hearing Carry Over (HCO), Speech-to-Speech (STS), Spanish-to-Spanish and Captioned Telephone in order to connect with family, friends or businesses with ease.

How does Kansas Relay work?
Simply dial 711 or the appropriate toll-free number provided to connect with Kansas Relay. A qualified Communication Assistant (CA) will ask for the area code and number of the person you wish to call and begin the relay call. Generally, the CA will voice the typed message from the text telephone (TTY) user to you. The CA relays your voiced message by typing it to the TTY user.

Specialized Services:
Kansas Relay offers specialized services for individuals who have difficulty speaking and for Spanish speaking residents. Specially trained CAs are on hand to assist in these types of calls by dialing the associated number provided. Since Kansas Relay offers a variety of services please refer to the website listed or call Kansas Relay Customer Care for more detailed instruction on how a particular call is processed.

Captioned Telephone (CTS):
CTS is also available and ideal for individuals with hearing loss who are able to speak for themselves. A captioned telephone works like any other telephone with an essential difference: it allows users to listen to their phone conversations while reading word-for-word captions of what’s said to them.

Access to Services:
Both 711 and the 800 numbers are toll-free calls and provide access to the same relay services. If you are experiencing trouble dialing 711 to reach Kansas Relay, please call Kansas Relay Customer Care.

All services are available 24 hours a day, seven days a week. Consumers may place relay calls to English and Spanish speaking persons within Kansas, across the United States and even internationally. By law, each conversation is handled with strict confidentiality. There is no charge to access Kansas Relay, although standard long distance charges may apply.

To place a call using Kansas Relay, dial 711 or one of the toll-free numbers below:

TTY/Voice: 800-766-3777
Spanish: 866-305-1343
Speech-to-Speech: 866-305-1344

Captioned Telephone

Customer Service: 888-269-7477
To call a Captioned Telephone user, dial:
711 or 877-243-2823

Special points of interest:

Equipment Distribution Program
The Kansas Telecommunications Access Program offers amplified phones, TTYs, Voice Carry Over (VCO) phones, Captioned Telephones and other equipment to eligible individuals in Kansas who are deaf, deaf-blind, or who have difficulty with speech, mobility and cognitive capabilities. For more information you can visit www.atk.ku.edu/ks-tap or call 1-800-526-3648.

Emergency Calls
Please note that 711 is only to be used to reach Kansas Relay Center. In an EMERGENCY you should continue to use 911. For emergencies, call 911 or your local emergency service TTY number directly, without using relay. The Americans with Disabilities Act (ADA) requires that 911 centers have a TTY and be prepared to handle emergency calls placed in this manner. Kansas Relay will make every effort to assist you in an emergency. However, it is important to understand that relay centers are not 911 centers and do not assume responsibility for emergency calls.
