Michigan Relay is a public service which guarantees all citizens access to prompt, professional and accurate communication through the telephone. Consumers of these specialized services, specifically individuals who are deaf, deaf-blind, hard of hearing or have difficulty speaking, can communicate on the telephone via TTY, Voice Carry Over (VCO), Hearing Carry Over (HCO), Speech-to-Speech (STS), Spanish-to-Spanish and Captioned Telephone in order to connect with family, friends or businesses with ease.

How Michigan Relay works:
Simply dial 711 to connect with Michigan Relay. A qualified Communication Assistant (CA) will ask for the area code and number of the person you wish to call and begin the relay call. Generally, the CA will voice the typed message from the text telephone (TTY) user to you. The CA relays your voiced message by typing it to the TTY user.

Specialized Services:
Michigan Relay offers specialized services for individuals who have difficulty speaking and for Spanish speaking residents. Specially trained CAs are on hand to assist in these types of calls. Since Michigan Relay offers a variety of services please refer to the website listed or call Michigan Relay Customer Care for more detailed instruction on how a particular call is processed.

Captioned Telephone:
Captioned Telephone is also available and is ideal for individuals with hearing loss who are able to speak for themselves. A captioned telephone works like any other telephone with an essential difference: it allows users to listen to their phone conversations while reading word-for-word captions of what’s said to them.

Access to Services:
All relay services are accessible by dialing 711. If you are experiencing trouble dialing 711 to reach Michigan Relay, please contact Michigan Relay Customer Care.

All services are available 24 hours a day, seven days a week. Consumers may place relay calls to English and Spanish speaking persons within Michigan, across the United States and even internationally. By law, each conversation is handled with strict confidentiality.
