

Give back to your community.

For too many in Illinois, the cost to stay connected to family, emergency services, and employers is just too high. During the coronavirus pandemic, access to telephone or internet services has become even more vital for persons with disabilities, senior citizens, and families with young children. You can help connect them to emergency help, caretakers, schools, and employers by contributing to the Universal Telephone Assistance Corporation (UTAC).

The UTAC Lifeline and Link-Up programs are funded entirely through voluntary donations. These programs work with the federally-funded Lifeline program to help Illinois households obtain local phone or internet service and receive a partial discount on their monthly phone or internet bill.

It's easy to contribute. Simply fill out the form on the reverse side and indicate the amount you would like to give each month — 50 cents, \$1, \$2 or as much as \$5. That amount can be paid with your monthly telephone bill. Your contribution will be supplemented by federal funds to help provide phone or internet service to individuals and families who could not otherwise afford it.

Please Help! Every contribution counts. You may also make a one-time donation.
