## APPLICATION OF PRICE LIST

This Price List establishes the standard recurring rates that apply to Granite Telecommunications, LLC's ("Granite" or "Company") retail local exchange and interexchange long distance telecommunications Services in the Commonwealth of Massachusetts. Standard non-recurring rates appear in Granite's *Telecommunications Price List Non-Recurring Charges*, available to Customers at [www.granitenet.com/Legal](http://www.granitenet.com/Legal) or upon request.

Your verbal or written Service Order or any use by you of Granite's Services constitutes agreement by you to all of the rates, terms, and conditions set forth in this Price List and Granite's Service Guide including any other documents specifically incorporated herein by reference.

This Price List applies only to retail intrastate telecommunications Services furnished by Granite and does not apply, unless otherwise specified, to any other services, including, without limitation, Information Services and other unregulated services offered by Granite. Except as expressly specified in this Price List with respect to particular Service plans ordered by Customers, the rates and charges set forth in this Price List do not cover lines, facilities, or services furnished to Customers by other carriers, including, without limitation, lines, facilities, or services that are used by Customers to access Granite's long distance Services or to complete calls to or from points beyond Granite's local network calling areas. Customers are solely responsible for obtaining any customer premises equipment and for establishing suitable agreements or other arrangements with other carriers that may be needed to access and use Granite's Services.

The recurring rates contained in this Price List, together with Granite's standard telecommunications service Terms and Conditions, standard *Telecommunications Price List Non-Recurring Charges*, and Applicable tariffs, establish the sole and exclusive rates, terms, conditions, and understandings pertaining to Granite's provision and Customer's use of Services ordered by Customer unless otherwise governed by a duly executed Written Contract between Granite and its Subscriber.

No provisions of this Price List may be changed, waived, or otherwise amended, or modified in any manner except pursuant to a Written Contract that has been duly executed by Granite for such a purpose.

In the event of any conflict between the provisions of this Price List and any applicable Written Contract or tariff, such conflict will be resolved by giving preference, first, to the applicable Written Contract, second to the tariff provisions and, third, to this Price List.

The recurring rates contained in this Price List are subject to change at Granite's sole discretion. Customers will be notified of changes through bill messages or inserts or otherwise in accordance with Applicable Law and regulations prior to the date on which changes become effective. Changes will also be posted on Granite's website at <http://www.granitenet.com/Legal>. Your continued use of Granite's Service following any such changes constitutes your agreement to such changes.
